Mr. Norman L. Maguire,
Albuquerque, N. M.,
U. S. A.

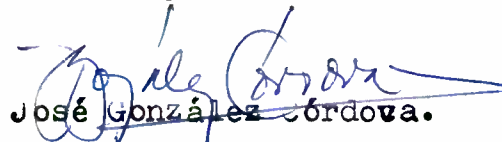

Dear Mr. Maguire:

I've received your reception report
about the special DX program thru XEQO, on
March 13, thank you very much.

Your logging agrees with our program-
ming, so this is our QSL.

Thanks again for your attention and
your interest in our operation.

Sincerely Yours

José González Córdova.
