Dear Sir:

We received your letter of November 9, 1947 advising us of reception of our station, WKTG, on that date. We went on the air for program testing October 25, 1947.

We are very glad to verify your reception of our station and appreciate very much your advising us of the reception, in this way we can tell what our equipment is doing.

We would like to hear from you again if you should pick us up in the future.

Sincerely yours,

W K T G
