Dear Sir:

This is to confirm your letter of Jan 6, 1958 That we of Radio Station KBRV were on the air from 2:00 to 2:30 AM Jan 6, 1958 And your program checks with ours.

Thanks for information on your signals and the type of equipment.

I am sorry that we did not get on the air when scheduled but I had company from out of town and for got to set the clock to get up. We will try this again some time in the spring if you fellows would like and hope we have better luck.

There were quite a few reports that came in though after all and a good share of them came from the eastern states. Thanks.

Yours truly,

Paul D Haviland
