

Studio & Offices Hotel Bannock, Pocatello

Dec. 3, 1951

Norman L. Maguire
434 North Maple
Abbuquerque, New Mexico.

Dear Sir:

This letter will verify your reception of KWIK on
Nov. 4, 1951 from 0041 to 0100 MST.

The rig here at KWIK consists of a pair of 833-A's
in par. in the final and another pair in a Class B mod-
ulator. The antenna system consists of two towers in
a directional array.

Thanks for your report of reception.

Sincerely

Delbert Williams
