MR. NORMAN L. MAGUIRE
6105 DEL CAMPO PLACE NE
ALBUQUERQUE, NEW MEXICO 87109

DEAR SIR:

THANK YOU VERY MUCH FOR YOUR RECEPTION REPORT OF MAY 21, 1979. YOUR REPORT WAS CORRECT AS WE WERE ON DURING THE TIME PERIOD STATED. WE ARE A 1000 WATT STATION-DAYTIME IN NATURE-OPERATING FROM 6AM TO SUNSET. ALTON IS LOCATED CLOSE TO THE ST. LOUIS AREA.(ABOUT 15 AIR MILES AWAY FROM ST. LOUIS CITY.) WE ARE GRATIFIED THAT OUR SIGNALS WERE RECEIVED AT SUCH A GREAT DISTANCE FROM ALTON AND ARE PARTICULARLY INTERESTED IN THE FACT THAT OUR SIGNAL ECLIPSED XERF WHICH IS A VERY POWERFUL STATION ON OUR SAME FREQUENCY. WE UNDERSTAND THAT STATION XERF IS A 250,000 WATT STATION AND THAT MAKES RECEPTION OF OUR STATION EVEN MORE INTERESTING.

THANKING YOU AGAIN FOR YOUR SIGNAL REPORT, I REMAIN,

SINCERELY YOURS,

Nicholas Bono

NICHOLAS BONO,
