Albuquerque, New Mexico

Dear Sir:

We are pleased with your reception report and are sorry that we haven't had the time to answer your letter sooner. We have just gone on the air and have been very busy.

We are setting up the first Saturday of every month at 5:30 A.M. for our regular monthly frequency check if you happen to be listening at that time in the morning. We would appreciate any future reports that you might make at that time...

Sincerely yours,

James E. White
Chief Engineer
