Dear Mr. Maquire

I don't have a verification card so will use this means instead, to acknowledge your letter of Oct 1st.

Thanks a lot for your letter of verification on our frequency test. We were operating on our night-time power of 250 watts. We have 1000 L.S. 250 night. Hoping that you may pick us up again sometime, I remain,

Yours very truly

Herschel Holland
Station Director
