Dear Norman Maguire:

Thank you very much for your letter of the 21st showing reception of our equipment test program over Station KWHK on October 21st. The information that you sent us has been most helpful.

The station is located at 12 West 5th Street in Hutchinson, right next to the Stamey Hotel. Our transmitter is one mile north of the city. The next time you are on your way to or from Albuquerque we want you surely to stop in and pay us a visit, for the latch-string will always be out for you.

With renewed thanks to you for your thoughtfulness in writing us and with kindest personal regards and best wishes, please believe me

Most sincerely yours,

Gene Conklin
