Dear Mr. Maguire:

Please accept this as verification of your reception of our broadcast of October 16, 1951, at which time WIKC was conducting a frequency and equipment test broadcast. A check with our logs of that date confirms your report forwarded us recently.

Frequency test broadcasts are made each third Tuesday of each month, 3:45 - 4:00 A.M. CST.

Please feel free to request future verifications.

Best of 73's,

Edw. D. Quave
Acting Chief Engineer WIKC
