Dear Mr. Maguire:

The man who was on the air June 5, 1959, is no longer with this station. Some of the things that were on the air that you mentioned in your letter sound as if they may coincide with our programming. However, we do not program polkas, nor do we have a Piggly Wiggly spot on. Apparently some other station was over-riding us at various times.

Thank you for writing. If you should happen to hear us again, we would appreciate your letting us know.

Yours truly,

Larry Jay  
Program Director
