Dear Sir:

Thank you for your letter. We do appreciate hearing from you fellows and were also surprised to know that our signal was readable in that area and especially over Y.E.G.

The announcer's name you heard at the time was Ronald Overlander instead of Ronald Deland, otherwise your report is correct.

We are located in S. W. Minnesota about 45 miles N.E. of Sioux Falls, South Dakota and are operating directional. You can get an idea of our pattern by the little map in the corner of this letter.

Thanking you again, I am

Sincerely yours,  
Clarence Archam  
(Ch. Eng.)
