Dear Sir;

This is to confirm your letter in regards to our frequency check on November 13, 1941, that all the selections you listed were correct as far as they went.

Due to this world conditions we are unable to give you any information in regards to the station, but we thank you for your information and sometimes after the whole mess is straight we hope that we could get together and give you what you would like to know. Until the next time we remain

Sincerely yours,

Evert Jokinen
