Dear Norman:

This letter to you is conformation of the test broadcasting period of August 6, 1979 from KAMQ.

We are a new station just on the air since June 24, 1979, and we are really having a ball. There are two other station in Carlsbad, and we have made the number one spot in ratings since we have gone on the air.

Thanks for taking time to write, and I hope your eyesight problems will get back to normal.

A handwritten signature in blue ink, which appears to read "A.J. McKinney".
