DEAR MR. MAGUIRE:

I AM SORRY I HAVEN'T WRITTEN YOU AN ANSWER SOONER BUT DUE TO THE XMAS RUSH TIME HAS BEEN USED. I AM NOT AN ENGINEER BUT I WILL TRY TO ANSWER THE LETTER. OUR ENGINEER HAS TICKET ONLY AND NO EXPERIENCE SO HE CANNOT ANSWER YOUR QUESTIONS. THE LOG AS YOU HAVE STATED IS APPROXIMATELY CORRECT. I HAVEN'T CHECKED IT AGAINST OUR OFFICIAL LOG FOR THE DAY, HOWEVER IT FOLLOWS OUR LOG PATTERN. WE HAVE HAD MANY REPORTS FROM THE ALBUQUERQUE AREA ABOUT OUR SIGNAL AND HOPE WE CAN CONTINUE WITH THE SAME QUALITY OF SIGNAL. WE LIKE TO HEAR FROM FEOPLE LIKE YOURSELF. I HAVE NO KNOWLEDGE OF THE SIGNALS YOU HAVE GIVEN IN YOUR LETTER, R5 AND S9. IF THESE ARE OF IMPORTANCE TO YOU PLEASE ADVISE AND THE NEXT TIME OUR CONSULTING ENGINEER IS DOWN WE WILL GET YOU AN ANSWER. THANK YOU FOR YOUR LETTER AND IF WE CAN HELP IN THE FUTURE, FEEL FREE TO CALL UPON US.

JON E. EVANS, STATION MGR.
