

reno, nevada

serving northern nevada from scott island, reno - phone 3-4493

Dec. No - Nov. 17  
1955

Dear OM -

Many thanks for your very  
complete report on our signals Nov. 11.  
Our gear is all Collins 250 watt xmtr.  
Tower is 150' vertical top loaded  
by top guys for 50'. Marshy ground.  
I hope to see on the ham bands  
some day.

Wm. W. Binford C.E.
