Dear Norman,

It was a pleasure to receive your letter reporting reception of WLNA'S special DX program of December 28, 1953. Thank you very much for taking the time out to listen and drop us a line. It was a great deal of fun to put on the show and was made even more enjoyable by the many welcome phone calls received.

The day seemed to be a good one for DXing. This is proved by the many reports received thus far. WE've had a big thrill from three New Zealand reports.

Here's wishing you continued good health and the Best in DXing from all of us.

Your DX friends,

Kenneth Maylath
