Program details concerning WBE X  
the morning of November 4, 1957 are correct.  
I seldom answer BC-SW's hi, but  
being a "W5" I had to do something about it, hi!  
I am ready to go back on air, 20 meter phone

○ with a K.W. — antenna holding me back.  
But this afternoon, I finally got my 75'  
utility pole for my rotary for 20 meters.
