185 Williams Street,
Glastonbury, Connecticut

Dear Mr. Maguire:

This will verify your report of reception of this station, WJEL, July 22, 1947, from 2:45 AM EST to 3:00 AM. Your reception report has been checked with our logs and has been found correct.

Thank you very much for this report, and its detailed information. Possibly the occasional distorted audio quality which you noticed was due to experimental adjustments being performed on a defective limiter amplifier.

Very truly yours,

Herb Haley
Chief Engineer
