WPTW VERIFICATION

Dear Sir:

Many thanks for your reception report of Dec. 3, 1947.

The details of your report agree with our program logs.

We are sorry for the delay in this matter, but the truth is we have been swamped by DX reports.

Many thanks for your interest in the matter.

Equipment:

Transmitter ----- Collins 300G 250 watts
Console ----- Collins 212A
Antenna ----- 200 foot self supporting Truscon.

Remarks:

We are indeed pleased to receive your letter. We also received reports from 38 states including Calif. Seattle Wash. New York. Fla. Tex. - Canada. I see you are a ham. We two engineers, Vice Pres, + sec. Pres. are also home. My call W3UYT/8 may we hear from you again?

Respectfully yours,

George B. Donahue
Chief Engineer + Vice Pres.
