Dear Mr. Maguire:

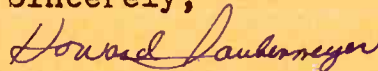

This is to verify your reception of WTRF on the morning of September 2, 1954.

Thanks very much for your report and best wishes for continued success in your DXing.

The spot you heard was for "The Kontest of the Kilocycles". It isn't something we thought up and we can't wait to get rid of it.

Thanks again and if you're ever up this way be sure and drop in.

Sincerely,

Howard Daubenmeyer
