This will verify your reception of  
the frequency monitoring schedule broadcast  
over Radio Station KOME on March 8, 1939  
from 2:45 AM to 3:00 AM C.S.T.

KOME appreciates the reports from DX  
fans and will verify all correct reports.

Our regular assigned frequency  
monitoring schedule is the second Wednesday  
of each month from 3:45 AM to 4:00 AM E.S.T.

Yours very truly,  
Radio Station KOME  
By
