

I don't know what is supposed to be done to verify this report. Anyway it was  
Jack Kreutz  
522 So. 11th.  
Corvallis, Oregon  
that make the frequency check, and this report is correct.

We also received two other reports, so far, on our freq. check.  
Both were from San Francisco.

P.S. Pt. Reyes said we were one cycle  
high!!
