Mr. Norman L. Maguire
1420 Columbia Drive NE,
Albuquerque, New Mexico.

Dear Mr. Maguire:

Many thanks for your recent letter reporting reception of our signal in your area the night of January 31st, 1955, when WKVA broadcast a special test program for the National Radio Club.

Your report was correct in every detail and we thank you for the trouble you have taken in logging our station and sending the nice letter our way.

We have all been quite pleased with the reception reports received to date, having heard from twenty-six of the states and two from Canada. Others from your part of the country have been received from Washington, Oregon, California, Colorado, Iowa, Kansas, Nebraska, Arkansas and Illinois. Yours, however, was the lone report received from New Mexico.

In several months we are planning another special test broadcast, possibly starting at a later hour to see if we cant get better west coast reception, after the sign-off's of those that interfered during our last test. Hope that you can be with us at that time.

Again, thanks Norman, for your most enjoyable letter and best of luck to you in future DX'ing in 1955.

Very sincerely yours,

CENTRAL PENNSYLVANIA
BROADCASTING COMPANY
