Dear Mr. Maguire:

Thank you for your comments on the equipment
test program of WRNO.

Our log shows that we were on the air with a
test program on the morning of December 7.
We are happy to verify your report of reception.

We operate on a schedule of nineteen hours daily,
5:30 AM to 12:35 AM, and on Sundays from
6:00 AM until Midnight. Frequency check is made
every fourth Saturday, 3:10-3:20 AM.

Best wishes for the Yuletide Season.

Sincerely yours,

W. W. Gunter
Chief Engineer
