

KBOX Radio

The Balaban Station Serving Dallas

Date Oct. 22, 1959

Mr: *Maguire*

Dear Sir:

This confirms your reception report of this station dated Oct. 16. Thank you very much for the kind report and should you hearsus again we would appreciate any report that you may choose to make.

We operate on 5000 watts daytime with a directional array of two towers. Nighttime we operate 500 watts with a four tower directional array. It was the 500 watt station that your reception report covered.

Very truly yours,

E. N. Bodine
