Dear Mr. Maguire

Was very happy to receive your letter of Sept. 13, 1954. We at the station all take great pleasure in confirming your reception of KWBC .

Our studio log seems to agree with your report insofar as the commercials are concerned. However I have no way of knowing which records were played at that time and the operator doesn't remember that far back. So you can be reasonably sure you are right as to the music played.

I hope that this is sufficient information. If we can be of any assistance in the future, please feel free to drop us a line at any time

Yours Truly
