

KWEL  
Midland, Texas  
Feb. 6, 1958

Dear Mr. McGuire,

As you well know we are very pleased that you could tune in on our "DX" Feb 4th. Yours is the first confirmation I have sent out so far since it was received first. I'm hoping that we'll have many more before the week is out.

We're glad that you could tune in on us and pleased that our signal came in so strongly in Albuquerque.

Midland has more than quintupled its size in the last fifteen years, so I have been told. I'm a new resident of the city having come here in December from Los Angeles, Calif after graduating from school. I am however a native of Brockton, Mass.

Your log agrees very closely with what we broadcast. And with all hope that your club in general, and you in particular can continue successfully, I'll sign off.

Yours Truly

*Charles H. Fyfe*
