Dear Mr. Maguire:  
I am pleased to hear that you are interested in the  
station and that you are planning to visit San Angelo  
in the near future. We are a small station but we  
are proud of our programming and our staff. We  
are currently broadcasting a variety of music  
and news programs. We are also planning to  
expand our service to include more local  
programming. We are sure that you will  
enjoy our station and our programs.

San Angelo is a city of some 15,000 people located 25 miles  
west of Dallas. Cattle ranching and oil are the principle interests.  
The three Concho rivers meet near San Angelo and the old "Fort Concho"  
still stands within the city limits as a memento to Texas history.

Sincerely,  
*Art Anderson*
