Stamford, Connecticut,

Radio Friend:--

Thank you for your reception report of Friday, February 7, 1936.

Though the program carefully and correctly charted was the Cities Service network offering, you saved the situation by quoting, nearly correctly, the words of station identification and the Station Break announcement of "Doc Jackson's Garage"

WFAA did not, however, broadcast the Frank Munn Phillips Milk of Magnesia program, which you mentioned as following.

Instead, there was a studio program.

You must have switched about that time.

Best wishes.

Very truly,

Adams Colhoun
