Richards House,
Lehigh University,
Bethlehem, Pa.,
Dear Mr Maguire,

Thanks for writing about our dx program on
March 8th. We are glad to verify your reception of
our program.

Does everyone in Richards House stay up all
night? We got another letter from Rulon Cloud,
213 Richards House. Both six tube sets, but you have
him 25 feet on antenna, does that give you more pep
than he has?

Yours truly,
J.R. Heck
