

Transmitter: RCA 1-K
Antennae: 2-190' vertical
920 Kcs. 1000 Watts

Please accept this as a verification of your reception
of CKNX on Monday Dec 1
from 4:00 AM to 5:00

Your report is correct and very much appreciated.

Bill Stephenson
for Chief Engineer
Chief Engineer.

(over)

CKNX
WINGHAM

The ONTARIO FARM STATION

This was a special DX show and
is not a regular show. However
we are boosting our power to 2500
watts in the near future and perhaps
we will do another show. Thanks
again for your excellent report.

Yours truly,
Bill Stephenson
