Murray Mann  
3702 South 17th. Street  
Omaha 8, Nebraska

Dear Mr. Mann:

We received your report on our reception today. Thank you very much for sending the tape recording. I listened to it and I must say that I sounded sleepy as you and other DXers must have been.

We enjoyed doing this DX show and we hope that in the not to distant future we can again be of service to the fine members of the National Radio Club.

Please accept this letter as verification of your report and we thank you very much for listening to us at such an ungodly hour.

Sincerely yours

Donald W. Maples (Don Wayne)  
Chief Engineer  
KBZZ Radio  
La Junta, Colorado
