Non-directional

Serving Florida's Citrus Center
LAKELAND, FLORIDA

October 8, 1957

*Mr. M. C. Mann
3702 South 17th Street
Omaha 8, Nebraska*

Dear Mr. Mann:

*We are pleased to confirm your reception report of WLAK
on October 4, 1957.*

*WLAK operates on 1430 kilocycles with 5,000 watts daytime
and 1,000 watts at night (non directional). Our equip-
ment is RCA throughout. Studios and transmitter overlook
Lake Bonny in Lakeland, Florida and are adjacent to a 75
acre orange grove.*

Thank you for your interest in our station.

Cordially yours,

RADIO STATION WLAK
