Dear Mr. Mann:

Reference is made to your DX Letter dated Feb. 9th, Reception Report No. 89, whereby you heard us on February 9th, 11:43 PM.

According to our Chief Engineer, Bob Lang, it is with pleasure that I verify your report as correct. The slogan you heard "This is the station with the big sound in Honolulu", is our promotion at the moment.

Again, thank you for your report.

Sincerely,

Lavinia Wong
