Mr. Murray C. Mann
3702 South 17th
Omaha, Nebraska

Dear Murray:

This is to verify that WEVE, Eveleth, Minnesota did on the morning of Monday, June 23rd transmit on it's assigned frequency of 1340 kc it's regular and scheduled Frequency Check as stated in your request for verification.

We are indeed happy to hear your report and those of your fellow clubmembers from the such reaches as yours.

Hope you log them all.

Yours truly,

Joseph J. Cerar
