Murray C. Mann
3702 South 17th
Omaha 8, Nebraska

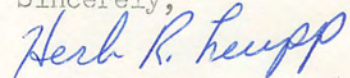

Dear Mr. Mann:

This is to verify your reception report of KBOM on May 4th, 1958
at 00200 CST. KBOM is on until that time every Sunday morning.
During the rest of the week sign off time is one hour earlier.

The equipment consists of an RCA BTA-1L transmitter feeding 1 KW
to a 210 foot guyed vertical radiator.

Thanks very much for the report.

Sincerely,

Herb R. Leupp
Chief Engineer
