Dear Mr. Mann

you did receive our station  
on the morning of Oct. 26 from 12:01 - 12:16  
A.M.

We had a 1000 cycle tone  
with station I.D. every 60 sec.  
That was our monthly freq. Check  
and it will be on at the same time  
every 4th Friday night 12:01 - 12:16 AM -  
(Sat. morn.).

Thank you for writing
