Dear Mr. Mann:

Thank you for your letter regarding the reception of KSKY in Omaha on Feb. 18, 1959 at 6;04-6;09P.

Your small log seems to check ok with ours. Seems that the sky wave was getting in pretty good with KOWH off the air. Evidently you were beginning to get some hetrodyne from WRCA as the evening came on. We sign off this month at 6;15P

Many happy DX listening hours to you.
