Omaha 8, Nebraska

Thank you very much for your report of reseption of KTLW.
Your report for reseption of Sunday March 20, 1958 is correct
however very short but I understand as there other stations
on 920 kc that keep our signal blocked out for long range
reception except on occasion.

Thanks again for tuning the band, its always nice to hear from DX'ers.

Sincerely,

Luke M. Stripling ce
