Dear Mr. Carl,

We read your letter of December 19, on our broadcasts from Yerevan. Your appreciation on our broadcasts is a pleasure for us because it's not an appreciation of merely a radio-amateur but of a journalist.

We've reverberated to it during the hour of "Our Letter-Book" of February 6.

Dear Mr. Carl, thank you for your card, it was a beautiful scenery from Nebraska, meanwhile we send you our programme-schedule, the QSL card and a brief summary about the radiostation of "The Voice of Armenia", also an Armenian stamp which symbolizes the memorial-complex being built in memory of the Armenians being victimized during the Genocide of 1915.

We wish you a sound health and all the best.

Success attend you.
