Dear Mr. Carl Mann,

Thank you very much for your correspondence.

The Foreign Radio Service of the Republic of Belarus is in a process of change. The Radio Station Belarus ("Radiostantsiya Belarus") broadcasts in Belarusian language since 1962 for Belarusian emigrants. The German programmes of Radio Minsk are translated since March 1985. In January 1998 Radio Minsk began broadcast regular English programmes and the Radiostantsiya Belarus started regular Russian programmes.

With reference to you report, it is absolutely correct and we are sending you our QSL card with pleasure.

We hope you will continue to listen to our programmes. And we, in our turn, will try to do everything to make our programmes interesting for you.

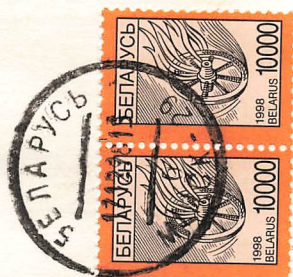

We are waiting for more letters from you. And we all are really interested in finding out the opinions about our programmes. Please, if you have any questions or suggestions, do not hesitate to contact us.

Sincerely,

Irina Polozhentseva
