Dear Mr. Mann,

Thank you for your letter dated October 10, 1989 on transmission report of January 28, 1981 on our shortwave frequency 5950KHZ.

Your reception report is verified according to the time and program content of broadcast you heard, our Early Bird Show is still on our program schedule. Our shortwave transmission is presently off the air due to spare parts problem and our transmitter is considered obsolete.

I would be grateful if you could supply me with radio station stickers, I would like to decorate our radio workshop.

Anticipating a reply at your earliest convenience.

Yours truly,
Roy Marshall.
