A MESSAGE FROM THE DIRECTOR OF
HRPC-Honduras Radio Proclaiming Christ
Radio Light and Life

Dear Listening Friend:

I want to take this opportunity to personally thank you for your interest in listening to and writing me here at HRPC located in the small mountain village of San Luis in west central Honduras. Your letter is received and read with great interest and joy because it lets us know here at HRPC that our programming is being received and enjoyed.

We transmit religious programming daily with the purpose of assisting our listening friends in their spiritual walk with God. If you do not know Jesus as your personal Saviour, permit me to leave you a few thoughts.

John 3:16 states "For God so loved the world that He gave His only begotten son that whosoever believeth on Him shall not perish but have everlasting life."

God, the creator of the universe as well as mankind, so loved man in his sinful condition that he sent His Son to the world to live among us and give His life as a ransom for us. If you, listening friend, will believe on Jesus as your Saviour you can have eternal life with Him.

Thanks again for your letter and interest in HRPC.
My sincerest prayers for you and yours!
