Dear Sir/Madam,

This is to confirm and thank you for the reception report we recieved on our transmission of 'Malta Calling' on 9670 kHz 21 meters broadcast on the short wave on Saturday 14/11/1981.....between 0700 - 0800 GMT.

Broadcasting Malta also operates three seperate stations on 999 kHz and 93.7 mHz in the VHF Band, and a daily one hour transmission in English, Arabic and French over Radio Mediterranean in both the medium and short waves on these respective wavelengths:-
medium 1557 kHz 193 meters
short 5960 kHz 49 meters.

Hoping you will continue to enjoy our programmes, we are enclosing a brochure with information on the Maltese Islands.

Additional data may be obtained on request from the Malta National Tourist Organisation.

Yours faithfully,

Victor Aquilina

Head of Radio Programmes.
