Dear Carl,

*Thank you for your reception report. Not including yours, I
have received four other letters from the State of Iowa.
Reception reports about the same. Thank you for the tape.
The announcers whose voice and were on duty at the time never
wanted to stop listening to the tape although their voices
are not really clear.*

*you are right. There are so many reports. Most of them
are from U.S., Australia, New Zealand and Japan. Received
on together with your letter this morning from Brazil with
SINPO 34533.*

Thank you again.
