Dear Listener,

Thank you for your recent response to a broadcast from radio station KFBS, Saipan.

KFBS is owned and operated by FEBC Radio International. FEBC is a Christian broadcasting company based near Los Angeles, California USA. Thirty-five transmitters are operated in six countries around the world. Broadcasts are beamed to Africa, Europe, Asia and all of Latin America. FEBC produces programs in more than 100 languages.

KFBS, Saipan went on-the-air in April, 1984 and has grown from one to five 100 KW transmitters. Thousands of responses are received each year, and the information supplied by listeners is very helpful as we plan future broadcasts. I would appreciate any specific SINPO information you can supply.

Thanks again for your response.
