U. S. A.

The name of our station, as it appears in this broadcasting schedule, does not correspond with the name we use on the air (Radio Czechoslovakia). It has been chosen here for the interim period until the future of the Czech and Slovak Federative Republic is settled in the next few months. No particular political meaning is implied and we hope that in spite of all the name changes so far our listeners will continue to enjoy our varied mix of programming as before.

CZECH AND SLOVAK RADIO INTERNATIONAL
 welcomes all programme comments, questions and reception reports.
 We verify reports with a variety of QSL cards. Our programmes also
 include information for stamp collectors and for DXers, whose
 hobby is long distance short wave reception.
