*The World Service of
The Christian Science Monitor*

WCSN calling.

Thank you for tuning in to *The World Service of The Christian Science Monitor*.

This confirms you heard WCSN transmitting from Scotts Corners, Maine, U.S.A., over a 500 kw transmitter with a dipole curtain antenna.

As a service to our listeners, we provide a program guide which includes articles for the newcomer to shortwave as well as for the experienced DX'er. We have added your name to our mailing list. If you do not wish to receive the guide, please write: Program Guide, World Service, P.O. Box 527, Boston, MA 02117 U.S.A.

We warmly invite you to keep listening to our programming. You will be kept fully informed about the global issues of the day as they happen—brought to you by the independent, international news-gathering organization, *The Christian Science Monitor*.®

*"First the blade, then the ear,
then the full grain in the ear."*®
