Dear Mr. Merriman,

Thank you for your good letter of February 19 received today, giving us your report of reception of Radio Anguilla.

From the information you give us it is evident that you received our signal between 8.00 and 10.00 p.m. on the evening of Friday, 19 February. We have checked our Logs and find your report to be correct, although we transmit on 1505 k.h. and not 1506.

We do not issue Q.S.L. cards as yet, but you can take this letter as confirmation of your reception.

We send you our congratulations and best good wishes.

*Yours Sincerely,*
