Mr. Stanwood R. Morss  
Rural Route 3  
Bradford, Massachusetts

Dear Mr. Morss:

This will acknowledge your reception report of WENN of October 16, 1959. We have just completed a 5KW Transmitter.

Sorry I have not answered you before, but your first report must have gotten lost in the shuffle.

Lots of luck with your DXing.

Sincerely,

*Carl Martens*  
Carl Martens,
